Day 29 - KC #2 - Trig

Thursday, March 27, 2025 11:38 AM

Objective:
• Students will demonstrate mastery of Trigonometry
• Students will continue to use patterns in Polynomials to write equations
 	
Mathematical Practice(s): reason abstractly and quantitatively, attend to precision, look for and make use of structure
 	
Classwork:
• KC Trig #2
• Finish Day 28 Notes
 	
Homework:
• Day 29 Homework
 	
Announcement:
 	
• Day 34: KC #1 - Polynomials
  ○ ODD - Wednesday, 4/30
  ○ EVEN - Thursday, 5/1
	Reminders
	
	Materials Needed:
	- Baby Calculator ONLY
	- Ruler
	- Pencil
	- Colored Pencils (to color code)
	
	1. LABEL ALL DIAGRAMS!!! (coordinates, radians, arrows, axes, etc.)
	
	2. COLOR CODE DIAGRAMS AS NEEDED!!!
	
	When you are done, turn it in Munoz, and then start working on Day 29 HW.
